Message

It is indeed a pleasure to extend warm felicitations to the Nalanda Old Boys' Association in the United Kingdom for organizing the annual gala event, the Nalanda Silver Ball 2024.

The Nalanda Silver Ball holds significant importance within the UK Sri Lankan schools OBA/OGA community, serving as a highly anticipated occasion where attendees gather to celebrate the rich legacy and enduring values of Nalanda College, Colombo 10. As they come together on Saturday, March 23, 2024, let everyone reflect on the profound impact of the alma mater.

Nalanda College has been a beacon of educational excellence, shaping the minds of countless individuals and instilling in them the virtues of integrity, leadership, and service. The Nalanda Silver Ball, with over 200 distinguished guests in attendance, symbolizes the strong bonds of companionship and celebration nurtured by the alma mater.

I commend the Nalanda Old Boys' Association in the United Kingdom for their unwavering commitment to fostering unity and preserving the traditions of Nalanda College. Their dedication to promoting educational, cultural, and social initiatives reflects the spirit of camaraderie and collaboration that defines the Nalanda community.

I extend my heartfelt gratitude to the organizing committee for their tireless efforts in bringing this event to fruition. The dedication and commitment to preserving the spirit of Nalanda are truly commendable. As the alumni gather to honour the shared heritage and celebrate the achievements of Nalanda College, let everyone reaffirm the commitment to upholding its noble ideals and pursuing excellence in all endeavours. I hope that the Nalanda Silver Ball 2024 will be a resounding success, fostering stronger bonds of friendship and camaraderie among the esteemed alumni.

HIGH COMMISSIONER'S *Message*

Message from the High Commissioner of Sri Lanka in the United Kingdom

I am delighted to be sending this message on the occasion of the annual gala dinner dance 'Silver Ball 2024' hosted by the Old Nalandians' Association in the United Kingdom on March 23, 2024.

Since its foundation, the Old Nalandians' Association has grown into a multifaceted platform for promoting social and cultural interactions among Old Nalandians living in the United Kingdom and Europe. I equally take this opportunity to acknowledge the contributions of many outstanding Sri Lankans of Nalanda descent who have enriched the Sri Lankan community in the United Kingdom.

Additionally, the Association continues to promote Buddhist philosophy and values in the United Kingdom, support the growth of Nalanda College in Colombo, and participate in charity and relief efforts in both Sri Lanka and the United Kingdom.

I wish the Silver Ball 2024 success and Old Nalandians' Association in the United Kingdom the very best in its future endeavours.

Rohitha Bogollagama

Message from the Principal of Nalanda College

It is my pleasure to send words of Goodwill for the Silver-Ball 2024 organized by the old Nalandians' Association in the UK. Though living in foreign lands, it is happy to see you are still deeply tied to the roots.

This occasion will bring all those who cherish Mother Nalanda together. It would bring back your memories of good old school years when you were moulded as to be today. The education, and the experiences you got many years back, will strengthen you for your future that is unknown.

The tie of brotherhood you are bound as Nalandians will remain until your last day. It is a tie that is not to be untied. We are at the threshold to celebrate the centenary birthday of Mother Nalanda. It is a pride for us to be one of the most prominent Boys' Schools in the island. We would strive hard to keep the good name for another century.

I would like to thank you for doing all you can to uplift the name of Nalanda College higher and higher, bringing worldwide recognition. Also, I wish all of you all the best in everything you do.

PRESIDENT'S *Message*

Message of Noba UK President

It is with great honor and pride that I welcome you all to 'Silver Ball 2024,' the premier event of the Old Nalandians' Association in the United Kingdom. In 2024, our OBA will celebrate its 33rd anniversary, and we are all sincerely proud of the various endeavors and commitments we have made. My sincere appreciation will always be extended to the previous committees and their members for their countless efforts in making our OBA a distinguished association in the United Kingdom.

Nalanda College Colombo will celebrate its 99th anniversary in 2024, while 2025 will be its centenary year. At present, our alma mater serves over 7,500 students. Our beloved school has produced numerous leaders and eminent professionals for the country and will continue to contribute the same to our country and to the world. The NOBA UK is extremely proud of all these achievements, and Nalandians living in the UK have contributed greatly towards numerous enhancements for the staff, students, and for our school.

In our first year, the current OBA has participated in a wide range of events. The 'Battle of the Maroons UK 2023' was one of the main events. While the Nalandians won the match for over 40s, the Anandians emerged as main champions. Many Nalandians and their families attended the highly successful event, which was live-streamed. This allowed Nalandians and other Anandians worldwide to interact and support their individual schools. Furthermore, it was a fun-filled musical evening that everyone thoroughly enjoyed.

Every year, we host our Annual Dana to honor and bestow merit on our founder, Colonel Henry Steel Olcott, and for all the teachers, staff, and all deceased Nalandians. Therefore, this year's Dhana was held at Lumbini Vihara in London on the 18th of February. It was a successful event with everyone's dedication, support, and participation.

On this wonderful evening, I would like to take this opportunity to express my appreciation to our sponsors for their generosity and to the advertisers for their willingness to donate to our souvenir. Furthermore, I wish to express my gratitude to my committee for their hard work in making this event a success, and to our members and their families who have tirelessly worked to ensure that every event is both memorable and successful.

Finally, a massive 'Thank You' to all the wonderful guests! Without you, this hall would be empty. However, you all kindly purchased a ticket to grace this extravagant event, and that is truly remarkable! So, Cheers to everyone! Let's begin our 'Silver Ball 2024' in style!

Best Wishes,

THE BATTLE OF THE MAROONS UK - 2023

Battle of the Maroons boasts an illustrious legacy as the school cricket encounter to produce the highest number of cricketers for the Sri Lankan national team. Battle of the Maroons UK, an extension of the legendary brotherly rivalry, seeks to foster a more tightly-knit overseas alumni community. With that aim, the annual cricket match was held on 28th August 2023 at the Finchley Cricket Club, London. The event was well attended by enthusiastic past pupils of Ananda and Nalanda, together with their families. It was also live-streamed through FB, connecting eager Anandians and Nalandians around the globe with the lively action. The spectators were treated to a fantastic game of cricket with Ananda OBA taking home the main trophy while Nalanda OBA triumphed in the over-40 encounter.
